

ARJUN SHARMA

Computer Science & Engineering Student | Aspiring Software Engineer

Jammu, Jammu & Kashmir, India • +91 98765 43210 • arjun.sharma.cse@gmail.com
linkedin.com/in/arjunsharma-cse • github.com/arjunsharma-dev

PROFILE

Motivated 3rd-year Computer Science and Engineering student with a strong foundation in programming, data structures, databases and web development. Interested in software engineering and building practical, user-focused applications. Quick learner with strong problem-solving, teamwork and communication skills.

EDUCATION

B.Tech. in Computer Science & Engineering
ABC Institute of Technology, Jammu

2023 – 2027
CGPA: 8.4/10

Class XII
J&K; Board of School Education (JKBOSE)

2023
Percentage: 82%

TECHNICAL SKILLS

Languages: C++, Java, Python, JavaScript

Web: HTML, CSS, React.js, Node.js

Database: MySQL, MongoDB

Core CS: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Tools: Git, GitHub, VS Code, Linux

PROJECTS

Student Management System | C++ | MySQL

- Developed a CRUD-based application to manage student records, attendance and academic details. Implemented modular OOP design and database operations.

Campus Event Portal | HTML | CSS | JavaScript | Node.js

- Built a responsive web portal for publishing college events, registrations and announcements. Added form validation and basic role-based access.

Personal Expense Tracker | Python | SQLite

- Created a desktop-friendly expense tracker with category-wise records, monthly summaries and data persistence.

INTERNSHIP / EXPERIENCE

Software Development Intern — TechNova Solutions | May 2026 – Jul 2026

- Assisted in developing and testing web application features using JavaScript and REST APIs.
 - Fixed UI issues, participated in code reviews and used Git for collaborative development.
- Worked with the team to improve application performance and documentation.

CERTIFICATIONS & ACHIEVEMENTS

- Completed Data Structures & Algorithms fundamentals course.
- Completed Web Development fundamentals certification.
- Participated in college-level coding competition and technical events.
- Regularly practice programming problems on coding platforms.

SOFT SKILLS

Problem Solving • Teamwork • Communication • Time Management • Adaptability

INTERESTS

Software Development • Competitive Programming • Web Technologies • Learning New Technologies

Note: The name, contact details, college, marks, internship and other personal information above are sample details. Replace them with your actual information before submitting the resume.
